Statement of Purpose:

Open Lines is published quarterly by Ontario South Assembly. This newsletter presents service related news and information to the AI-Anon groups in Ontario South to help keep them informed. Personal sharings of recovery should be submitted to the Forum.

To further explain the statement of purpose:

All **AI-Anon/Alateen** members are encouraged to submit items for Open Lines as long as they are service related. Group service, district service as well as area. All levels are encouraged to write in to me and I will publish this information to Open Lines. Do you have a Public Outreach Chairperson with an innovative idea? How about that Group Anniversary or Speaker Meeting to Celebrate an Anniversary. Alateen do you have a special event coming up? I want to hear from you and so does the rest of the area!!! As long as it is service related please forward the information to me, contact information is on the bottom of this page.

OPEN LINES IS GOING ELECTRONIC

Beginning with the May 2012 edition Open Lines will go to a test group electronically. With feedback I receive at AWSC decisions will be made to increase the group or fix the problems with another test.

I look forward to reading all about your thoughts after you receive your first electronic version.

Hugs
Sharon
